

# Dr. Marga Lensen

Fullstack Web Developer

Ex-Chemistry Professor

☎ 0172 780 6319

✉ marga.lensen277@gmail.com

📍 Berlin, Germany

LinkedIn: [[marga-lensen-2a231911](#)] | GitHub: [[Marga-Lensen](#)]

## Education

### Netherlands

#### Ph.D. Supramolecular Chemistry

Radboud University Nijmegen  
2000 - 2005

#### M. Sc. Molecular Sciences

Wageningen University  
1995 - 2000

## Skills

### Frontend:

React, SASS, TypeScript,  
JavaScript (ES6+)

### Backend:

Node.js, Express, MongoDB,  
Python

### Tools & Workflow:

Git, GitHub, REST APIs,  
Postman

### Soft Skills:

- Teaching & Mentoring
- Leadership
- Problem Solving
- Multi-level Thinking
- Project Management
- Communication

## Languages

## Character

Enthusiastic scientist at heart who thrives on innovation and creativity, has a **Passion for Programming** with a high level of intricacy and originality, and is a natural mentor and leader.

### Present Digital Career

**03/2024 - 09/2025**

**TRAINING**

1.5 years

Digital Career Institute

- Developing modern web applications
- Fullstack development and API integration
- Agile workflow with Git & GitHub collaboration

### Previous Career as Chemistry Professor

**03/2010 - 08/2020**

**PROFESSOR**

10 years

Technische Universität Berlin

- Managing research projects (€1M budget) and labs
- Teaching and Supervision of PhD students & international research teams
- Advanced microscopy & chemical research

**11/2006 - 03/2010**

**RESEARCH GROUP LEADER**

3.5 years

DWI / Technische Universität Berlin

- Establishment of advanced laboratories
- Interdisciplinary collaborations with global partners
- Securing funding & Dissemination of Success

**04/2005 - 10/2006**

**POSTDOCTORAL FELLOW**

1.5 years

DWI an der RWTH Aachen e.V.

- Publishing and Presenting Research Results
- Writing Grant Proposals for my Research Career
- Setting up longlasting, international collaborations
